

InSySPo

Innovation Systems, Strategies and Policy

LUND UNIVERSITY

São Paulo Excellence Chair - FAPESP

- A novel funding instrument in the State of São Paulo
 - Established at DPCT by the São Paulo Research Foundation (FAPESP).
 - Five-year program, starting September 1, 2014, with the possibility of further extension.
- Research and doctoral teaching programme on innovation policy and innovation systems

São Paulo Excellence Chair - FAPESP

- This SPEC programme aims at:
 - a) reinforcing research excellence on innovation policy and management at the University of Campinas;
 - b) further internationalizing the work of DPCT and, more generally, of UNICAMP;
 - c) placing UNICAMP among the top ranking academic units in the STI policy field on a global scale.
