

The Newton Fund

Research and Innovation

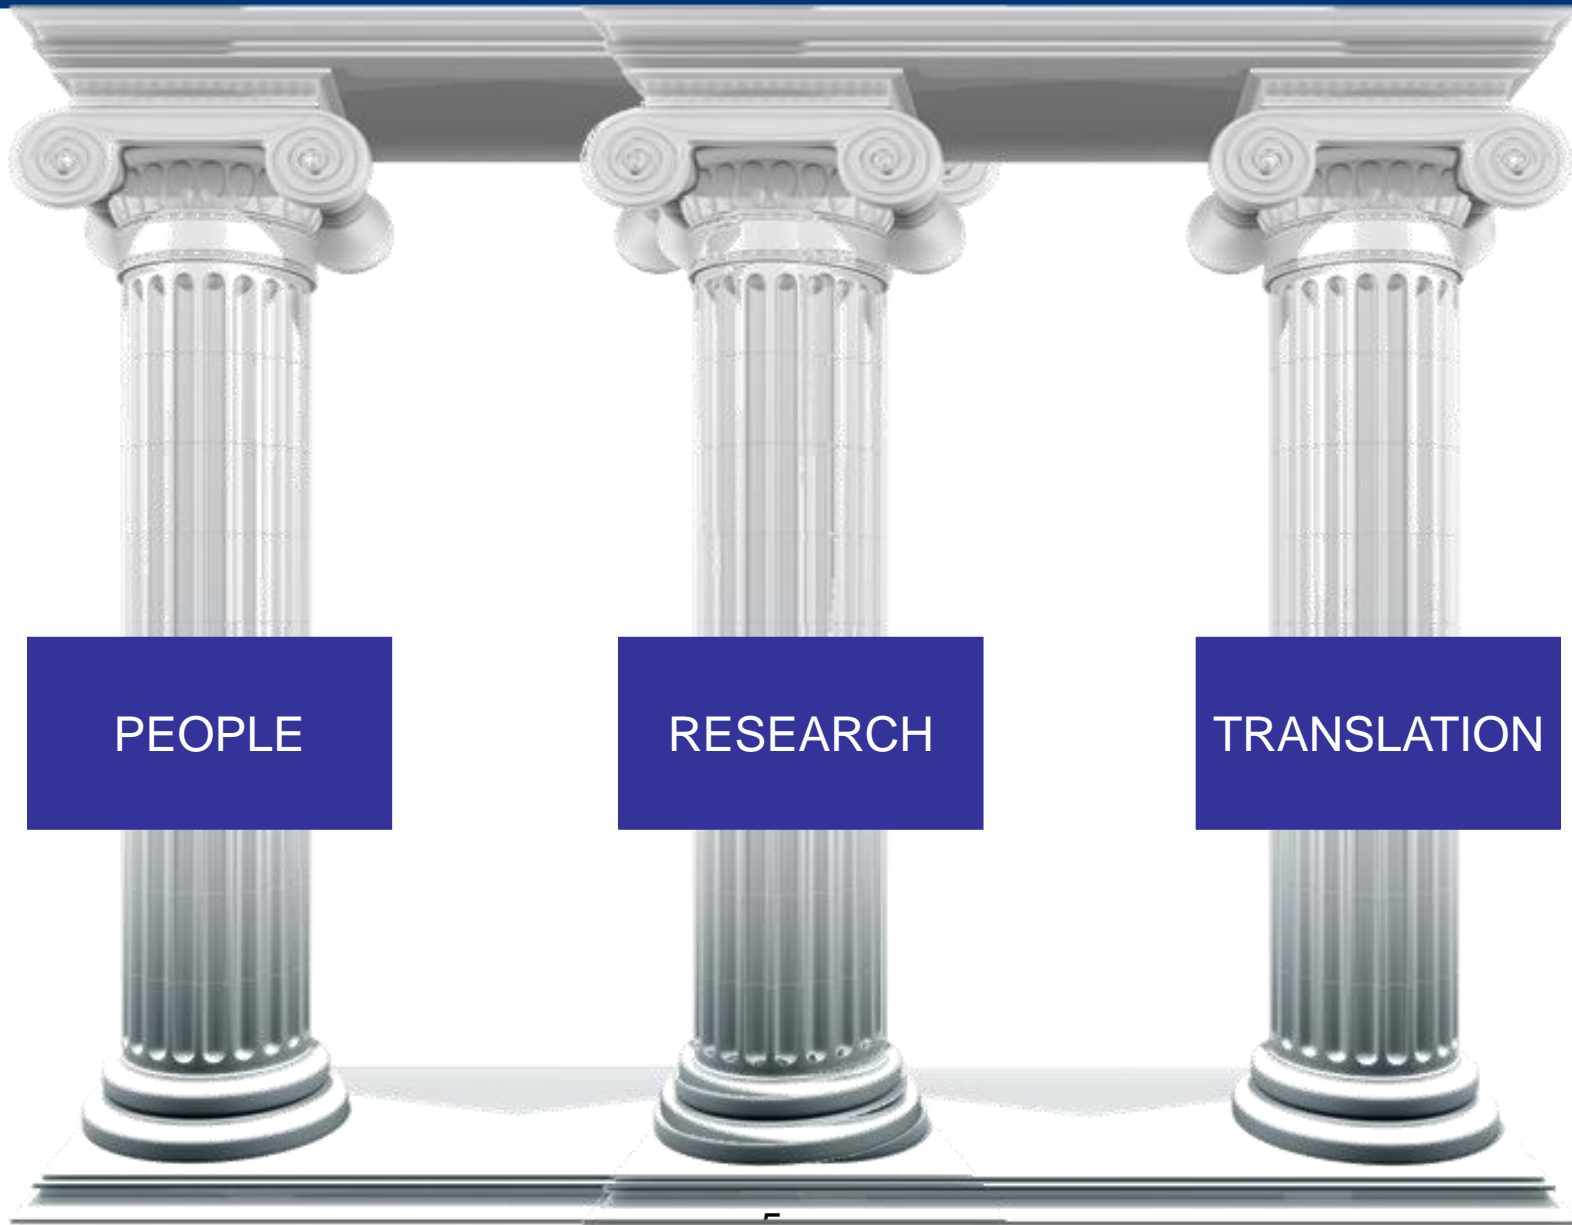

UK-LATAM Future Cities Workshop

The Newton Fund is part of the UK's official development assistance (ODA). Its aim is to develop science and innovation partnerships that promote the economic development and welfare of emerging countries.

Our partner countries

The Chancellor of Exchequer, Rt Hon George Osborne launched in April 2014 Newton Fund in Brazil.

It is a three years partnership and the UK is committing £ 9 million per year.
