

# Some Ideas for Social Inclusion

## *From Data Analytics to Music*

**Marcelo C. Medeiros**

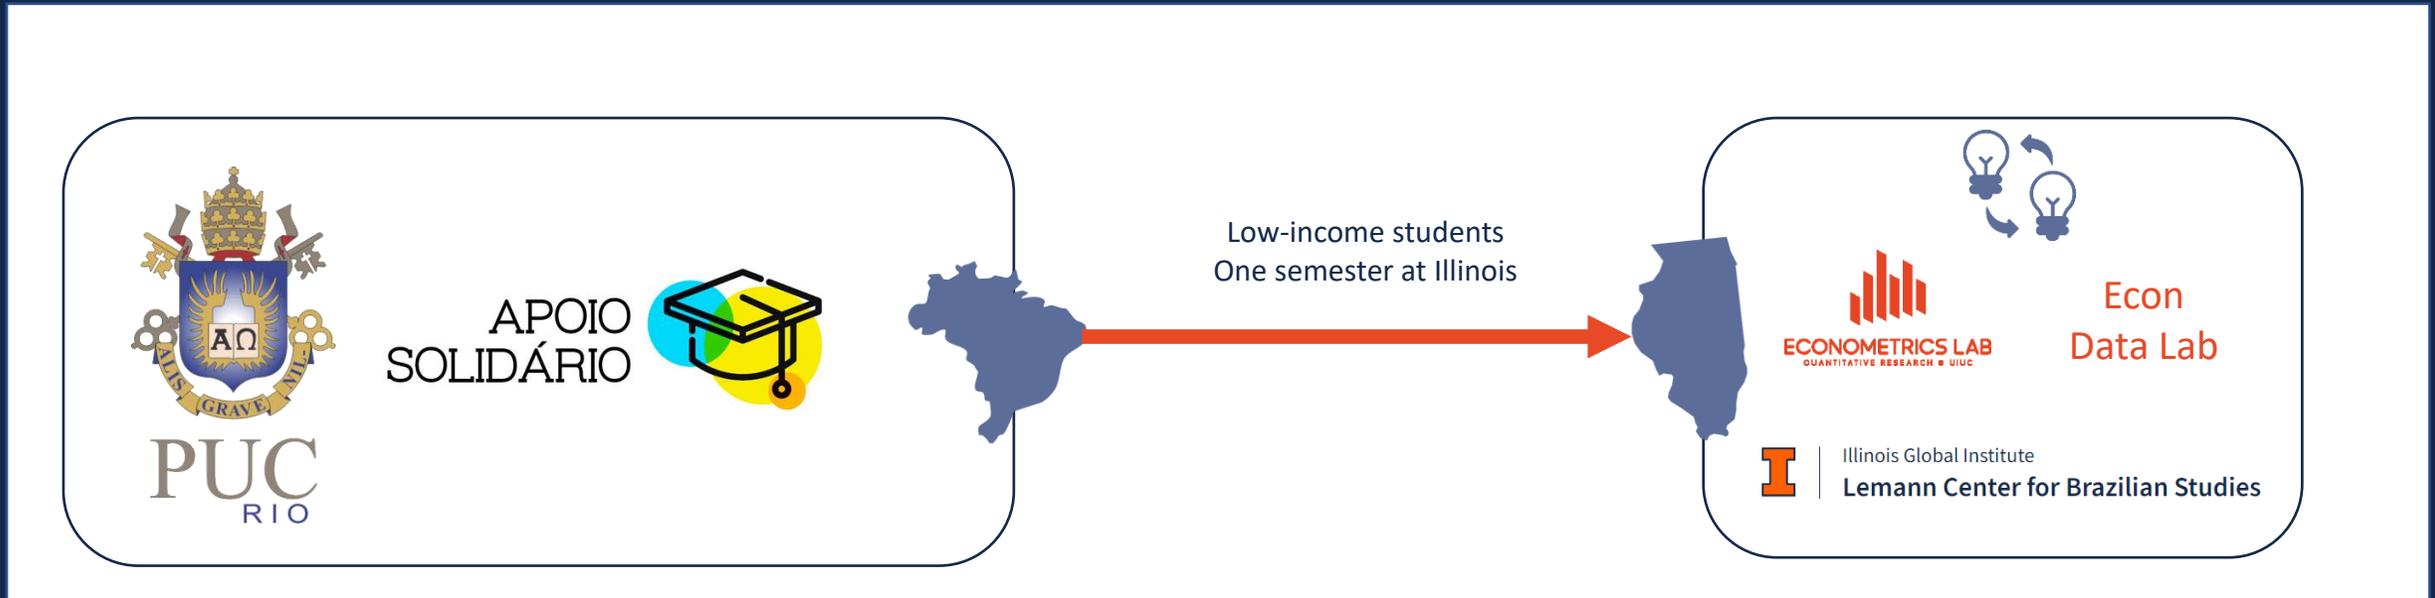

Department of Economics

The University of Illinois at Urbana-Champaign

# A First Initiative

## *Exchange of Students for Economics and Data Science Training*

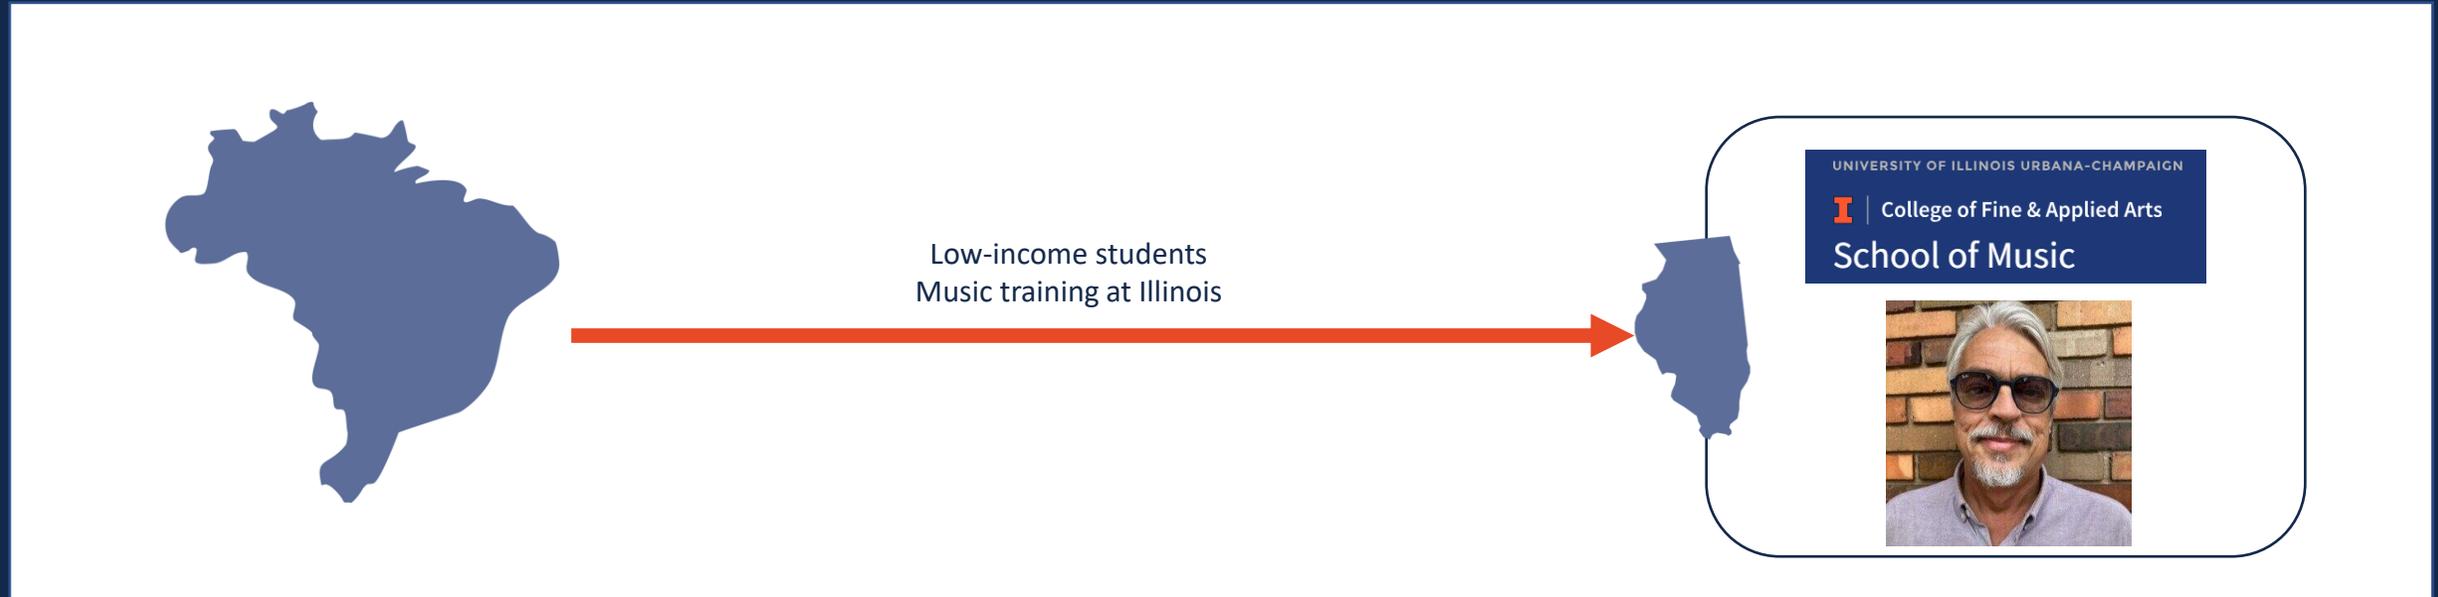

- Two students coming in the Fall 2024 (Prouni students from PUC-Rio)
- Students will be funded by the Lemann Chair at the Department of Economics at UIUC
- They will join the teams at the Econ DataLab and at the Econometrics Lab

Can we do more?

# A Potential Second Initiative

## *Music as a Social Transformation Tool in Brazil*

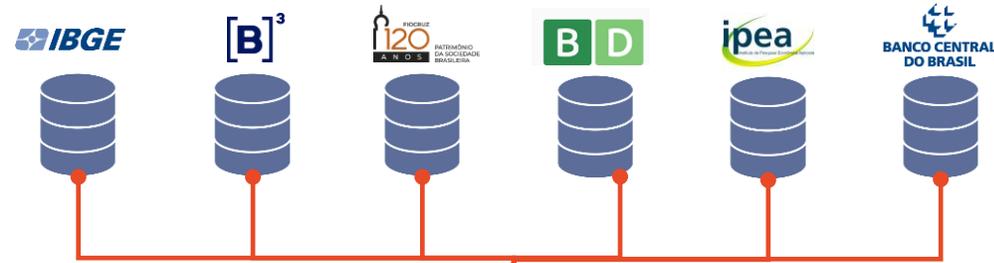

- Exchange of students
- Research on how music can induce social transformation in Brazil
- Wonderful research proposal by Goio Lima, PhD candidate at UIUC

# Brazil-Illinois Data Hub

## Potential Data Partners

Data partners will provide access to their datasets

## Data Lake

UIUC can manage a secure Data Lake and secure access to proprietary data

**FGV** | SAO PAULO SCHOOL OF ECONOMICS

**Insper**

... and potential more institutions

## Data analytics teams

Analytics teams will provide regular analyzes of the datasets and training

**Econ Data Lab**   **Econometrics Lab**   **Center for Health Informatics**

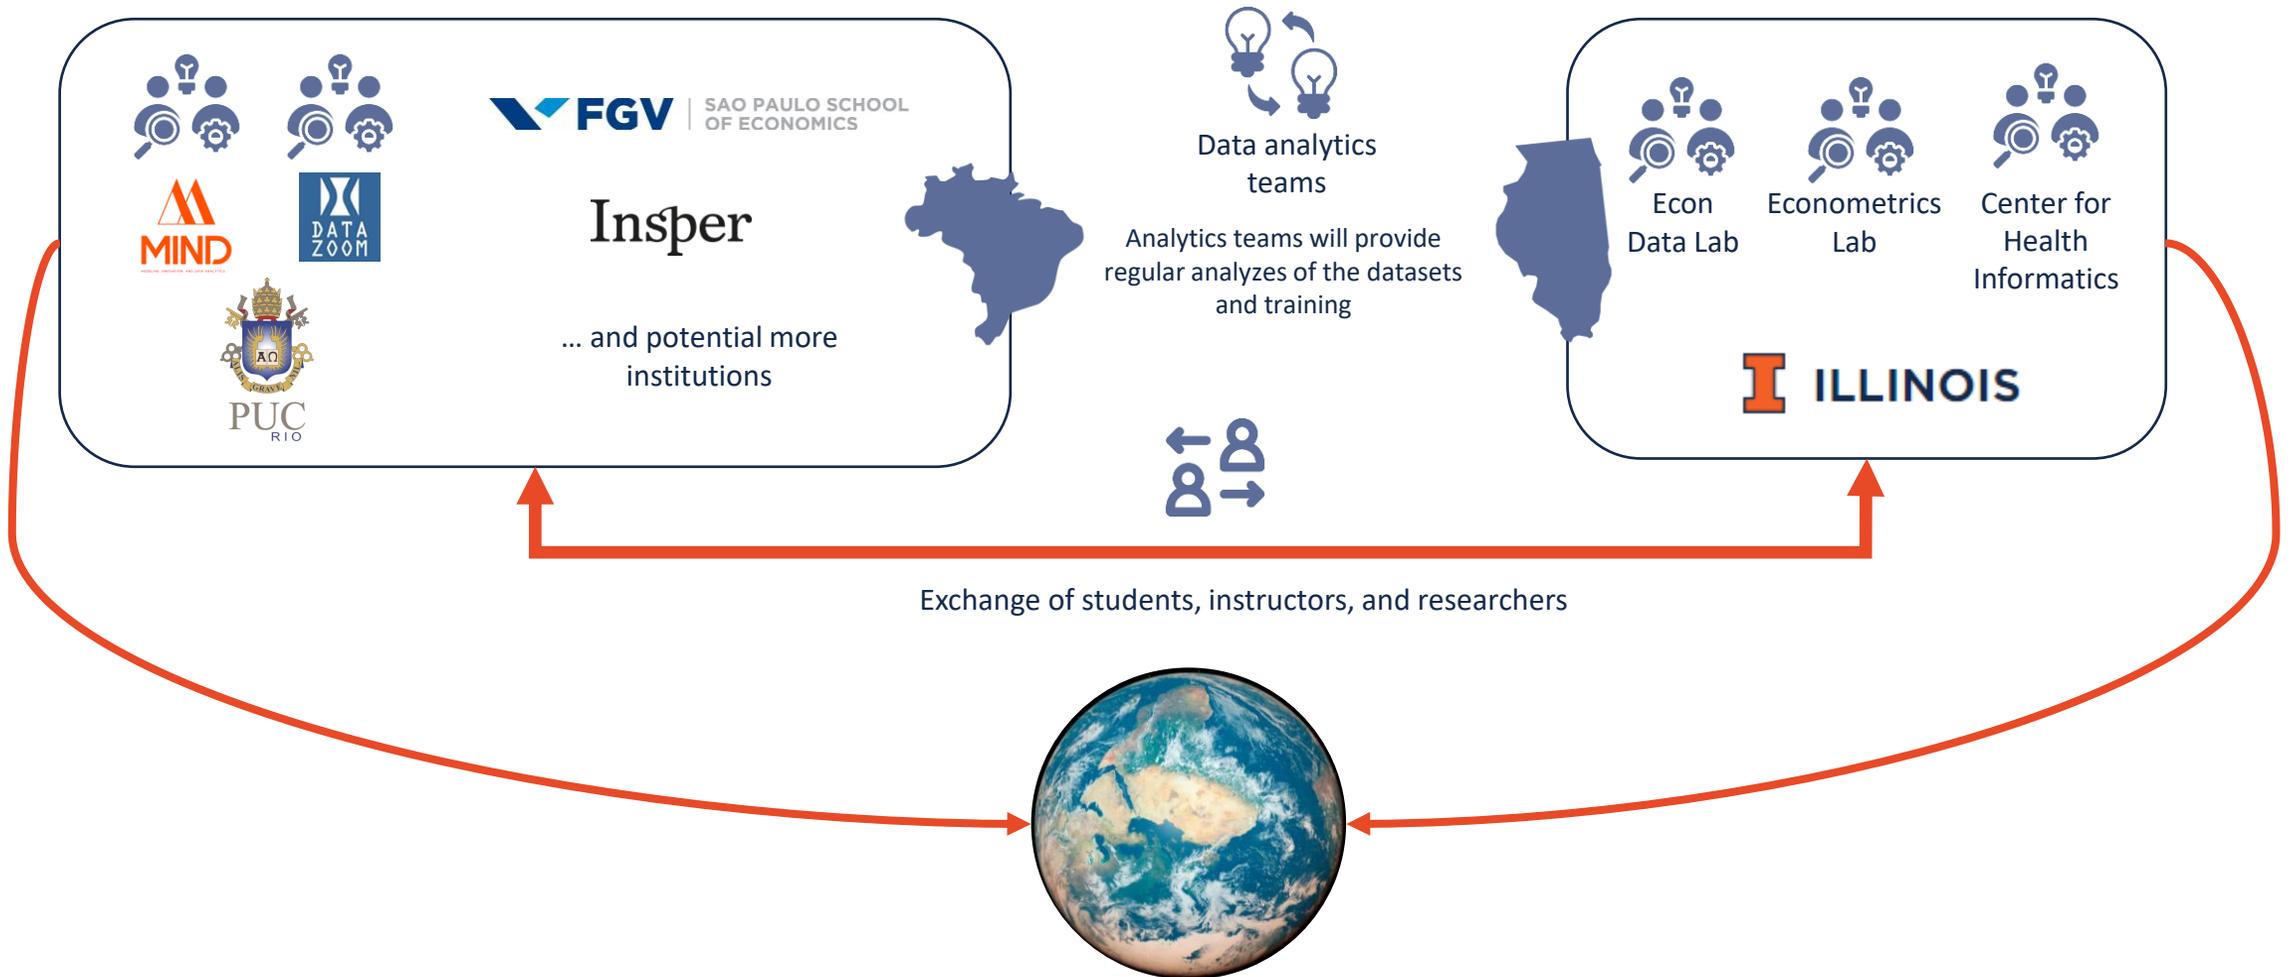

**I ILLINOIS**

... and potential more teams

Exchange of students, instructors, and researchers

# From the Hub to the World...

Thank You
